VITALHEALTH

DETOX FAMILY

These formulas contain naturally derived ingredients traditionally used in various cultures as part of habits associated with overall well-being.

ALL OF OUR INGREDIENTS ARE CHOSEN TO SUPPORT YOUR BODY IN:

1. Lifestyles associated with metabolic balance.
2. Traditional kidney cleansing processes.
3. Habits oriented toward liver health.
4. The healthy maintenance of the biliary system.
5. The natural elimination of retained fluids.
6. Natural body detox practices
7. Urinary tract well-being.
8. The overall well-being of internal organs as part of a comprehensive routine.

V-FORTYFLORA

At **VITALHEALTH GLOBAL**,
we believe balance begins from within.

FORTYFLORA

Combines

Magnesium, activated charcoal, L-lysine, and calcium in a thoughtfully balanced formula designed to complement digestive wellness and mineral support.

Magnesium contributes to normal muscle and metabolic function, while **calcium** supports essential physiological processes. **Activated charcoal** is traditionally used as part of digestive support, and **L-lysine** plays a role in normal protein-building functions in the body.

Together, these ingredients support overall balance and daily wellness as part of a healthy lifestyle.

GLUTATION
+ PLUS

At **VITALHEALTH GLOBAL,**
we believe lasting wellness begins
at the cellular level.

GLUTATION+

Combines

Reduced L-glutathione, L-cysteine HCl, vitamin C, chlorophyll (as sodium copper chlorophyllin), and mango in a carefully balanced formula designed to complement daily nutritional support.

L-glutathione and **L-cysteine** participate in the body's natural antioxidant processes, while **vitamin C** helps protect cells from oxidative stress and supports normal immune function. **Chlorophyll** provides additional antioxidant support, and **mango** contributes naturally occurring plant compounds that complement overall nutritional balance.

Together, these ingredients support cellular wellness and daily vitality as part of a healthy lifestyle.

PUBLIC **PRICE**

VITALHEALTH

RESTORE FAMILY

These formulas contain naturally derived ingredients traditionally used in various cultures as part of habits associated with overall well-being.

ALL OF OUR INGREDIENTS ARE CHOSEN TO SUPPORT YOUR BODY IN:

1. The restoration of intestinal flora balance
2. Habits focused on cognitive and neuronal well-being
3. The healthy maintenance of the cardiovascular system
4. Joint mobility as part of comprehensive care
5. Natural protection against free radicals
6. Support for cognitive function and healthy memory
7. Bone health within long-term wellness routines
8. Strengthening defenses within healthy lifestyles
9. Support in routines for allergy control
10. The regulation of cardiac functions
11. Metabolic stability in fats and sugar levels

V-OMEGA 3

At **VITALHEALTH GLOBAL**,
we believe optimal wellness starts with essential nutrients.

OMEGA 3

Combines

Highly concentrated fish oil from salmon with vitamins A, D3, E, and astaxanthin in a comprehensive formula designed to complement daily nutrition.

Omega-3 fatty acids help support heart health as part of a balanced lifestyle. **Vitamin A** contributes to normal vision and immune function, while **vitamin D3** supports bone health and normal immune function. **Vitamin E and astaxanthin** provide antioxidant support to help protect cells from oxidative stress.

Together, these nutrients support overall vitality and daily wellness.

PUBLIC **PRICE**

V-ITADOL

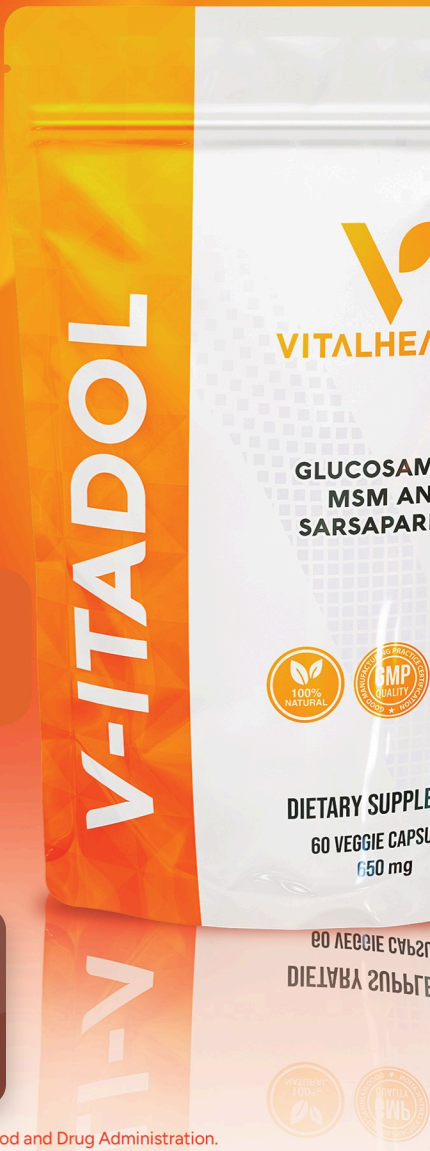
At **VITALHEALTH GLOBAL**,
we believe staying active begins with supporting your joints.

V-ITADOL

Combines

D-glucosamine HCl and MSM (methylsulfonylmethane) in a formula designed to promote joint health and mobility.



Glucosamine is a key structural component naturally found in cartilage, while **MSM** provides organic sulfur, an important building block present in connective tissues.

Together, these ingredients help support joint comfort, maintain normal cartilage structure, and promote flexibility as part of an active lifestyle.

PUBLIC **PRICE**

V-HARMONY

At **VITALHEALTH GLOBAL**
we know that women's well-being begins with internal hormonal balance.

V-HARMONY

Combines

Myo-inositol, D-chiro-inositol, resveratrol, saffron, vitamin E, magnesium, diindolylmethane, vitamin B6, Lactobacillus plantarum, and zinc in a comprehensive formula designed to support hormonal balance, menstrual cycle regulation, emotional well-being, and women's microbiota.

Myo-inositol and **D-chiro-inositol** support insulin sensitivity, ovulation, and menstrual cycle regulation; **resveratrol and diindolylmethane** promote hormonal and estrogen metabolism; while saffron, vitamin E, magnesium, and B6 complement emotional well-being and PMS relief. In addition, Lactobacillus plantarum and zinc help strengthen women's microbiota and immune support.

Together, this combination supports women's daily balance, encourages a more harmonious cycle, and promotes holistic well-being from within.

V-NRGY

At **VITALHEALTH GLOBAL**,
we believe balanced energy supports daily performance.

V-NRGY

Combines

Mango, green coffee, guarana extract, green tea, L-theanine, DMAE bitartrate, L-carnitine L-tartrate, vitamins, minerals, and carefully selected botanical extracts in a formula designed to complement an active lifestyle.

Plant-based ingredients provide natural energy support, while **vitamins B1, B6, B12, niacin, and vitamin C** contribute to normal energy metabolism. **L-theanine** complements daily focus as part of balanced energy support, and **L-carnitine** participates in nutrient metabolism.
Antioxidant ingredients such as **turmeric, quercetin, maritime pine, and saffron** provide additional nutritional support, while **magnesium** contributes to normal muscle and metabolic function.

Together, these ingredients support daily vitality and overall wellness as part of a healthy lifestyle.
